Every timber floor is different, and will always vary from any samples with colour, grain and textural variation. The samples are only an example and not a full overview of all the different nuances within the natural unique design of a timber floor. Colour appearance can also vary depending upon the type of light under which a sample is viewed and light sources where the flooring is installed. For a representative view of the surface structure and variation of a board, take a look at the largest samples available on display and ask your retailer for more advice.

*Nested/Random lengths may occur. As this is a natural product, some boxes may include one 'nested' board (i.e. two boards comprising of the quoted board length). All boxes will provide the coverage quoted. This product comes with a residential warranty for new product installed indoors in a residential home, if properly installed and maintained. This warranty is in addition to consumers' rights under the statutory consumer guarantee provisions in the Australian Consumer Law, which may exceed the rights under this warranty. The amount recoverable under the warranty decreases after fifteen years. For full information in respect to the scope and limitations of this warranty, please refer to the full terms and conditions available from your retailer, by calling 1300 444 778, or by download from www.godfreyhirst.com.
