FLOORING XTRA

Luxury vinyl like you've never seen before. Paramount Stone brings the modern look and feel of concrete, terrazzo, and stone to spaces calling for a fresh take on flooring. The effortlessly beautiful style of stone, together with the practical and hard-wearing elements of vinyl is a winning combination. It's comfortable, warm, and quiet to live with, while the in-built grout makes installation and maintenance a breeze. Suitable for all areas of the home, Paramount Stone will transform the home or workplace.
