## COLOURS

# KANGARA

Inspired by Australia's natural landscapes, Kangara Laminate delivers authentic timber styling with the durability modern homes demand.

Available in both 8mm and 12mm thicknesses, Kangara combines beautiful wood-look visuals with a tough, family-friendly surface designed to handle busy, high-traffic spaces.

Built for effortless everyday living, it features a water-resistant finish with up to 72-hour water resistance (12mm) and 36-hour water resistance (8mm), along with excellent resistance to scratches, stains, and impact.

Shade and tone variations are a natural feature of our products. While we try our best to show the extent of these variations on our website and retail samples; it is strongly advised multiple planks are sighted prior to the floor being installed. Please note: once the floor is installed, it is deemed as being accepted. Full full terms and conditions, and warranties please visit [www.flooringxtra.com.au](http://www.flooringxtra.com.au)
